you can do it!

Standardized testing dates have been determined and have been emailed from our director, Mary Wilkinson. Please contact us if you have any questions. Please bring a charged chrome book and headphones. If you don't have a school issued chrome book, we will have one for you to use. This link may be helpful as you prepare your students for testing.

Enrollment for new and current FULL-TIME students will open in Final Forms on March 15th. Part time families (only 2 electives) will enroll at a later date. Please make sure you click on the 24-25 school year. Registration for electives will open at a later time. Please contact Jill Deters with any questions.
