**Happy Spring!**

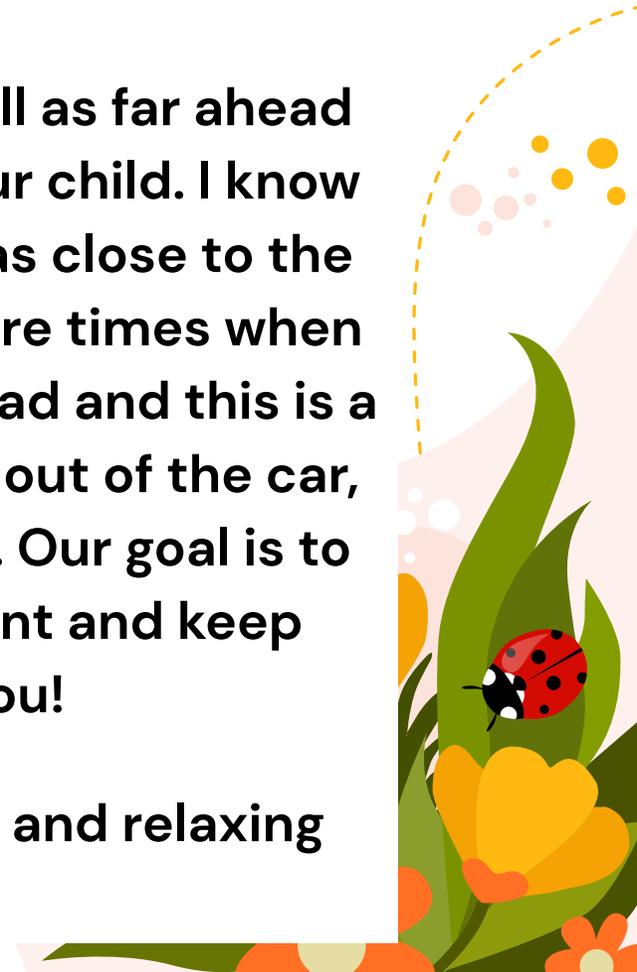

**Thank you to everyone who volunteered at our Bentheim Fun Night! What an awesome evening of food, fun, and fellowship together as a Bentheim community!**

**FROM THE  
PRINCIPAL**

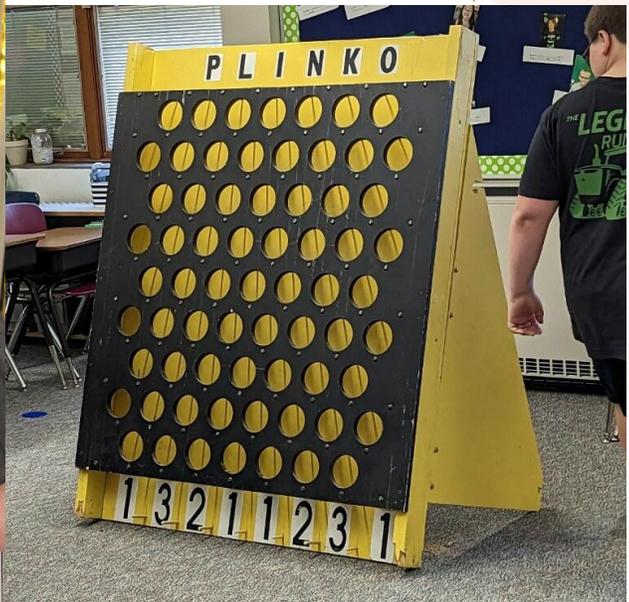

**During morning drop off, please pull as far ahead as possible before dropping off your child. I know we all want to drop our kiddos off as close to the doors as possible, however, there are times when we have cars backed up into the road and this is a safety issue. If you are going to get out of the car, then please park in the parking lot. Our goal is to keep our drop off process efficient and keep everyone safe. Thank you!**

**I hope each of you has a safe, fun, and relaxing spring break!**

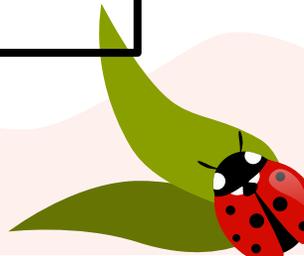

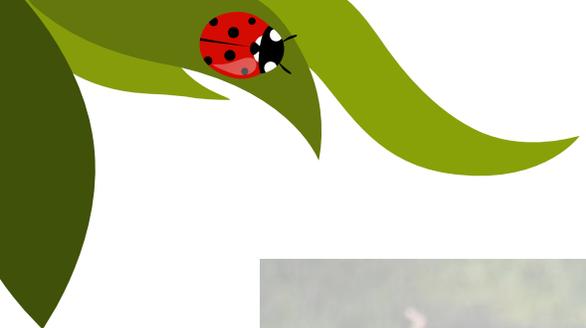

# FUN NIGHT 2023

# Teacher Requests for 2023-2024

This spring, the teachers and I will create class lists for next year. We want classrooms at each grade level to be as balanced as possible. We consider students abilities, learning styles, gender, behavior and personalities. We also look at which combinations of students don't work so well. With that said, we realize that parents sometimes perceive one teacher's style of teaching to be better suited to their child.

The deadline for teacher requests is **Thursday, March 30th**. If you are requesting a teacher, you must provide the following information in writing (email is fine): Student's name, student's current grade, requested teachers name, and the reason for the request.

There are no guarantees that requests will be granted, but I will do my best. Requests may be emailed to [jrandall@hamiltonschools.us](mailto:jrandall@hamiltonschools.us)
