

# Hamilton Community Schools

## Bond Proposal Improvements / May 2, 2023

On May 2, 2023 our community will vote on a school bond proposal. If approved by voters, this bond would provide \$41,180,000 to address safety and security, facility infrastructure, and learning environments.

### SAFE, DRY, WARM

- Roofing improvements
- Boiler replacement
- Fire alarm system replacement
- Glass security film for main building vestibule
- Replace classroom door hardware for improved safety
- New well
- Restroom upgrades
- Kitchen upgrades
- Staff lounge renovations
- Replace aging school buses

### LEARNING ENVIRONMENTS

- Deconstruct 1950s classroom wing
- Construct 8-classroom addition including Special Education and STEM (Science, Technology, Engineering and Math)
- Replace classroom casework and counter tops as needed
- Update finishes, flooring, and hardware as needed
- Multi-purpose room/gym finish upgrades
- Purchase classroom furniture for new classrooms
- Upgrade and move playground equipment
- Purchase educational technology as needed

### HAMILTON ELEMENTARY BUILDING OVERVIEW

- Grades K-4
- Three sections of each grade level
- Opened in 1952
