# FROM THE PRINCIPAL

**How about this weather!!!**

**Our staff and students have transitioned so well from spring break. We are right back into our behavior and learning routines and our students are growing, learning, and having fun everyday!**

**We are beginning to make plans for next school year. If you have a Young 5 or Kindergarten age child, or know someone who does, please contact the office and get them registered soon. While there is no official deadline to sign up, I am beginning the process of making class lists. The more information we have early on, the smoother the process runs. Also, if you might be moving next year, please let us know. This information will also help us make class lists. If you have any questions, please give us a call.**
