We kicked off March is Reading Month! Our theme this year is Read Around the World.

We are so excited for fun night next week Friday. Thank you to everyone who has volunteered!

We held parent teacher conferences on Monday and Tuesday this week. Thank you to the teachers for a couple long days of work and thank you to the parents who came out to communicate with us about your children.

## UPCOMING BOND

The Hamilton Board of Education has approved a bond being added to the May voting ballot. Please see the attachment for details about the bond. We also have information about the bond in our front entryway and paper copies of the flyer in the office.

## FAMILY FUN NIGHT

**Friday, March 17**

**Bentheim Family Fun Night is next week. We have included information regarding this event in this newsletter.**

**This event takes many volunteers. Thank you to all who have signed up to help. We will have name tags available for you when you come in the main entrance with your work location on them. Again, thank you so much for helping to make this a great event for our students.**

# Teacher Requests for 2023-2024

**This spring, the teachers and I will create class lists for next year. We want classrooms at each grade level to be as balanced as possible. We consider students abilities, learning styles, gender, behavior and personalities. We also look at which combinations of students don't work so well. With that said, we realize that parents sometimes perceive one teacher's style of teaching to be better suited to their child.**

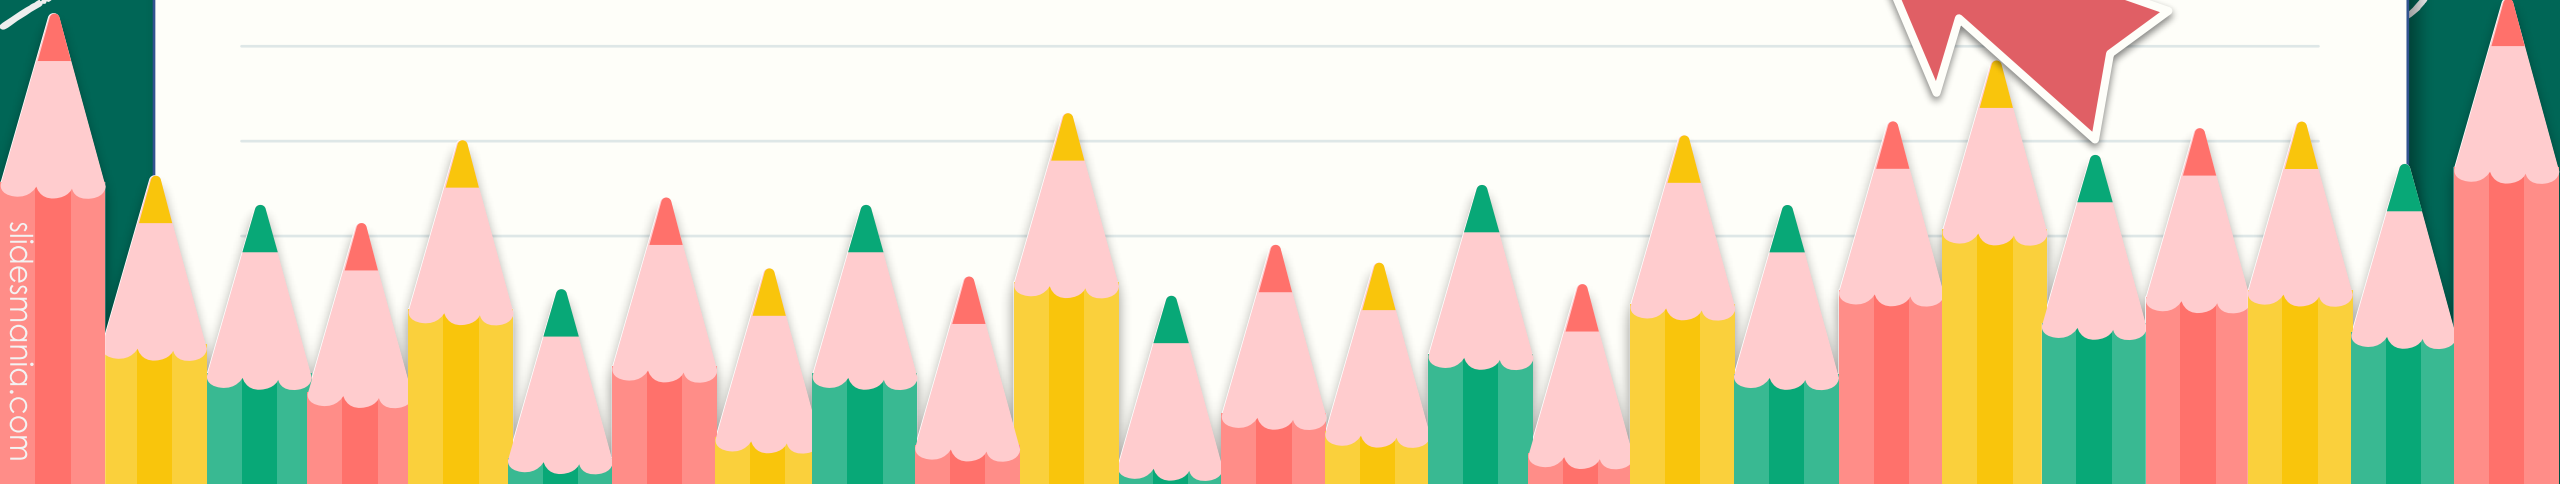

**The deadline for teacher requests is Thursday, March 30th. If you are requesting a teacher, you must provide the following information in writing (email is fine): Student's name, student's current grade, requested teachers name, and the reason for the request.**

**There are no guarantees that requests will be granted, but I will do my best. Requests may be email to [jrandall@hamiltonschools.us](mailto:jrandall@hamiltonschools.us)**

# Parent Teacher Conferences

Parent Teacher Conferences were held this week. Thank you to all the parents who scheduled either an in-person conference or a phone conference. We appreciate the opportunity to connect with parents regarding your children's education. Please remember that conferences never have to occur in just a scheduled week. You may request a conversation with your child's teacher any time.
