## **@ :) LET'S GET TO WORK :)**

- A view from 2<sup>nd</sup> grade
  - Sarah Geukes has shared the work that 2<sup>nd</sup> grade has done on their learning targets for math. She generously passed along their updated curriculum map for math. Hopefully this will help answer some of the questions that might still be lingering for our group.
- Divide and conquer
  - Materials needed (Kristi will have some additional copies of the paper resources in the event that anyone is missing anything.)
    - Math curriculum map
    - Math GLCEs packet
    - Teachers guides
    - Computer (if helpful for you)
