

English Department Sumer Work--June 16 and 17, 2008

Monday, June 16:

Start in Moreau's room.

Intros for Jacquie Johr.

Talk about the following "future decisions":

- * "Power standards" info from the OAISD workshop in May.
- * Who is to teach what in 2009-10 (esp E10--Am Lit and E11--Brit Lit)?
- * Which major pieces of lit do we want to do (state based? other?) and at what years/grades?
- * What kinds of writing do we want to do (state based? other?) and at what years/grades?
- * Textbooks or paperbacks? (see some samples)

Begin team and individual work on the continuing saga of curriculum design, common assessments, test-out packets, "future decisions," benchmark alignment, and so much more...

Switch as needed to work with others or alone.

At 12:30, gather back in Moreau's room to talk about progress and how best to use Tuesday.

Topics/Concerns to discuss as a group?

Move on to team and individual work, like Monday.
