Photo shoot NOT limited to just Sandyview families....invite your friends, neighbors, relatives, etc.

Use your CD to create your own photo Christmas card

## How?

Each session will be scheduled between 15-30 minute increments of time.

There will be a few photographers on site at each session.

Your fee of \$25 will allow you to keep all of the photos taken during your session in a CD format.

You can print any size, color, and as many photos you wish for this fee.

Purchase ONE photo session per immediate family. Small group shots can be taken within the family time session.

Any additional family members can be ordered separately at additional cost of \$15.00

Please make checks payable to Sandyview PTO.

Each additional photo session you wish to purchase will be an additional \$15.00. Example: I pay \$25 for my husband and 3 children, but I also want photos of their grandparents. I would add an additional \$15.00. These additional photos would be included on the same CD.
