

# Michigan's Proposal 1

## What every citizen should know

On **May 5, 2015**, Michigan voters will head to the polls to vote on Proposal 1—a statewide ballot initiative that will fund improvements for Michigan's roads, bridges, and schools.

### **Proposal 1: What's it all about?**

Proposal 1 is a complex plan with a simple set of goals

- Guarantee gasoline sales taxes go to repair roads, bridges and rail transit systems
- Protect and increase funding for K-12 schools and municipalities
- Provide tax relief for low-income working families

### **Proposal 1 promises for schools.**

- **Safety:** Safer roads for busses and students who drive to school
- **Stability:** Limits raids on the School Aid Fund by constitutionally protecting 100% of SAF revenue for K-12 schools, community colleges, and career/technical education.
- **Resources:** Approximately \$300 million additional funds annually
- **Renewal:** New investment in transportation infrastructure will spur economic development, creating healthy, vibrant communities that attract more students to local schools
