Top Post: Mobile food pantry serves 182 community members

100 likes, 2 comments, 7 shares

The mobile food pantry at Hamilton Middle School on Oct. 19 was a huge success!

Volunteers served 182 people. Big shoutout to Feeding America West Michigan for the assistance.

Our next mobile food pantry is Nov. 9!

Hamilton Middle School is #BetterTogether

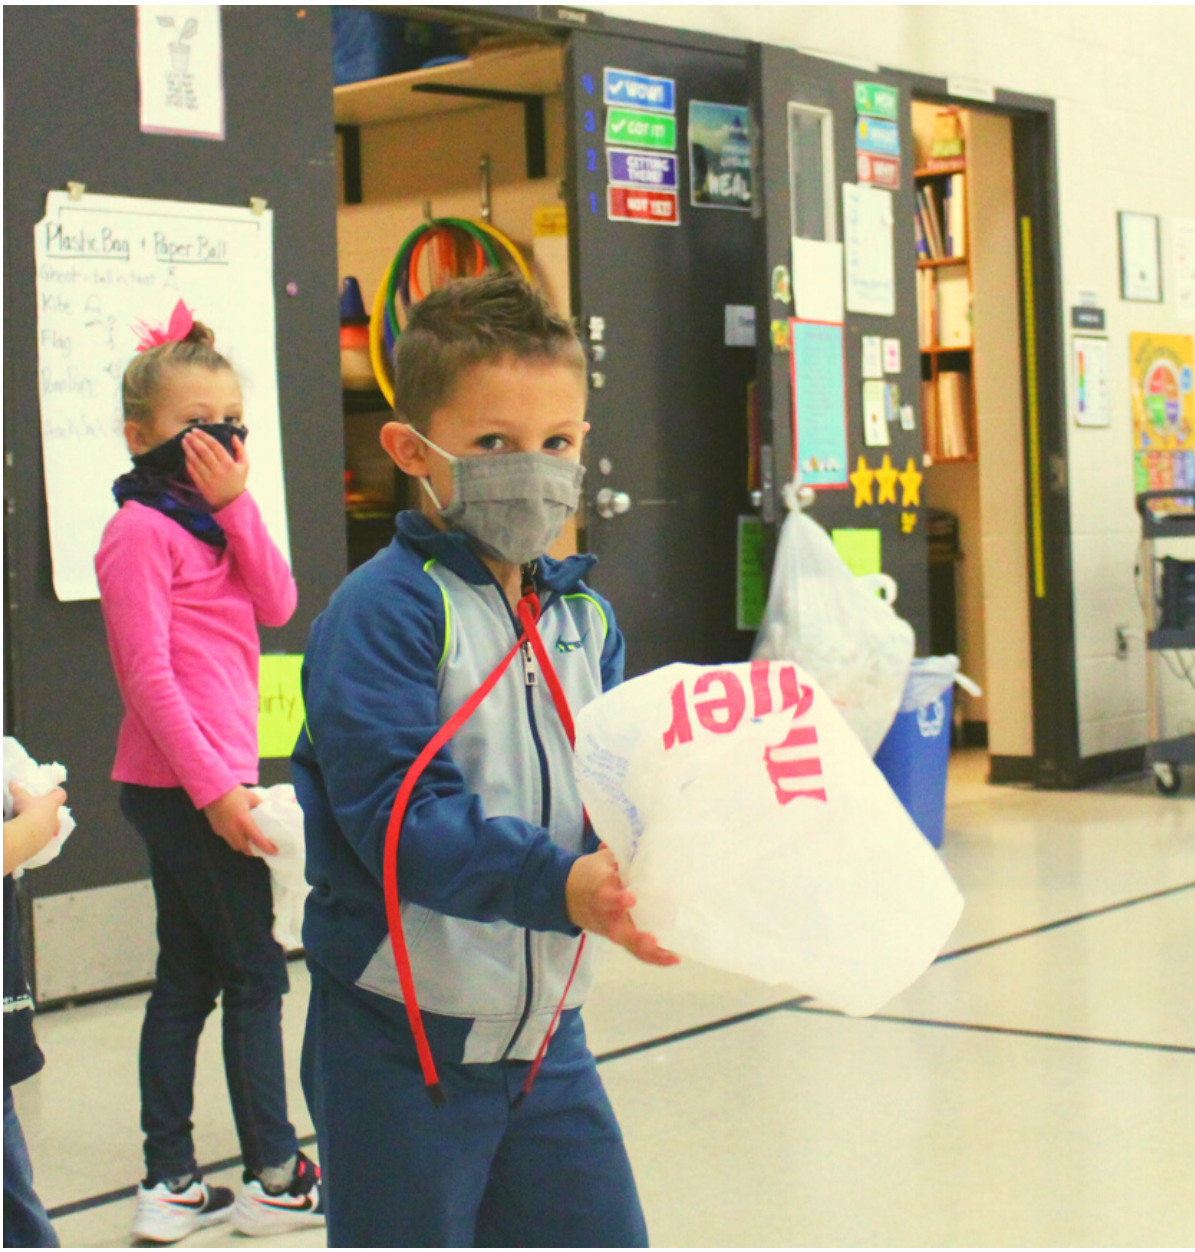
Recently Hamilton Middle School staff and bus drivers all rocked #BetterTogether T-shirts on the same day. Great idea Middle School staff!

STREAM students prepare middle school nature playscape for grand opening

112 likes

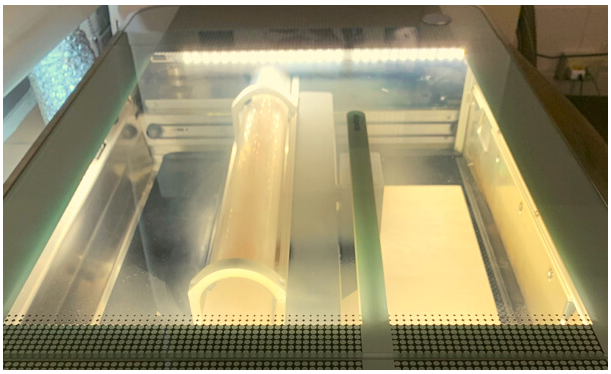
The space behind Hamilton Middle School is quickly becoming an AMAZING outdoor classroom and natural playscape! The Outdoor Discovery Center has been working this fall to develop the land into an incredible interactive area. STREAM School students assisted on Oct. 29 by raking the hill where wildflowers are expected to be planted. Learn more about the project in the December Transcript and through this **video**!

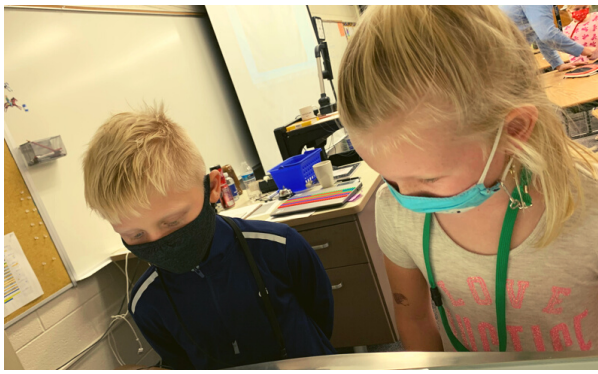
Hamilton El flying ghosts

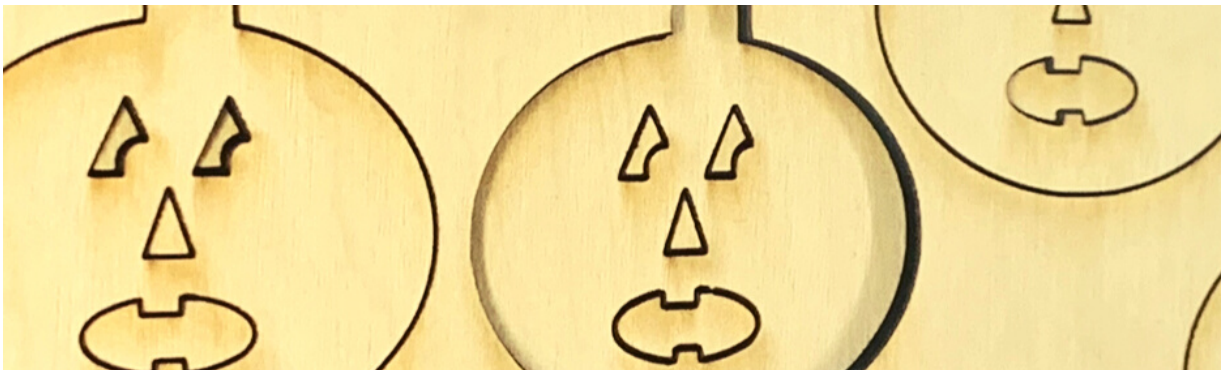


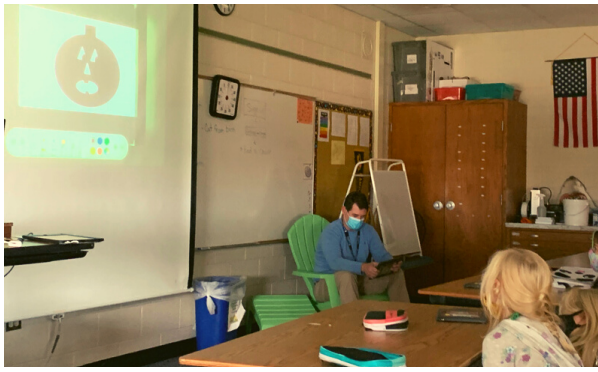
"Flying ghosts" appeared at Hamilton Elementary on Oct. 28 as kindergarteners worked on hand-eye coordination! Each station of Mrs. Petersen's physical education class had a fall theme, but the Ghostbusters station was especially active. The plastic grocery bags, filled with rolled up paper balls and thrown into the air, were donated by Hamilton staff and allowed each student to have a clean bag to use. The activity also was featured on Mrs. Petersen's Canvas page so her remote learners could follow along online, too. Great idea Mrs. Petersen!

Blue Star STEM project









Mr. Losik, STEM teacher at Blue Star Elementary, explained on Oct. 20 the benefits of a laser cutter to Mrs. Reilly's first grade class. Each student was then given a laser-cut pumpkin at the end of class. Cool idea Mr. Losik!

STREAM students invade the Upper Macatawa Natural Area

112 likes

Field trips are back!

8th graders in STREAM School took over the Upper Macatawa Natural Area on Oct. 14 for their annual culture-building experience.

They explored the breathtaking landscape and quietly observed nature without any digital distractions.

Keep it up STREAM!

Hamilton band performs concert on field

Check out the upbeat video from the high school band performance on Oct. 14, the first of the fall! ***https://youtu.be/Enhh2CijdCg***

District saves thousands on energy costs after recent upgrades

Big shoutout to Meekhof Electric for helping the district save thousands on energy costs thanks to energy-efficient upgrades!
