# From Mrs. Martin...

Hello Sandyview Families,

Well, we finally have snow! And the snow hill has officially opened. Until we get a bit more snow (or consistent snowfall), sledding will be a day-by-day decision, but so far students are loving the sledding hill!!!

Teachers are meeting today (Friday) to review student progress after a few weeks of winter testing. Overall, we have had a lot of celebrations! Students are making huge strides, gaining confidence and competence. It is so amazing to see them grow! Report cards will go home next week Friday. Please don't hesitate to reach out with any questions.

Have a safe weekend. We'll see you back on Monday!

# January Birthday Lunch!

# Peanut Butter Drive!

We have received our boxes to start collecting Peanut Butter!

Collecting from: January 24th - February 28th

Competition on which school brings the most!

# Hawkeye Preschool 2023/24 Enrollment!

Night at  
Sandyview  
6:00-7:00pm

# Winter Outdoor Recess & Apparel Guidelines

## Inside Recess Guidelines

- The building principal (or designated individual) will be responsible for determining outside or inside recess.
- Children will go outside for recess in suitable weather. It is always the goal to have outside recess.
- Reasons for Inside Recess:
  - temperature and/or wind chill are **below 0°F**, or
  - heavy and/or consistent rain.

## Clothing Suggestions for Outside Recess

“Feels like Temperature”... not the “Actual Temperature”

- 60 degrees or above: Short-sleeved Shirts
- 40-60 degrees: Lightweight Jacket or Sweatshirt
- 40 degrees or below: Winter Coat, Hat, and Mittens/Gloves

## Do students HAVE to wear a coat?

- Students will be encouraged to make decisions about their outside apparel, based on their activity levels.
- Staff may offer suggestions; if temperatures are extreme staff may require students to wear their winter coats/apparel.

## Family Responsibilities

- Families are asked to help their child(ren) with appropriate dress for outside. This includes boots, scarf, jacket, mitten/gloves, and other clothing that is suitable to the season and the weather for that particular day.
- Families are asked to talk to their children about appropriate outside apparel and your families expectations.
  - Our playground has a variety surfaces (dirt/mud, running track, playground equipment, branches, stumps, etc.).
  - Children may experience playground equipment and/or surfaces that are wet, slippery, and/or snowy.

**Put Your Coat On; You'll Catch a Cold!**  
**Or will you? Fact or Myth**
